D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	<p>Esquare is a research and educational organisation based in France, dedicated to the advancement of research and innovation. We promote the educational and consultancy activities, psychological and soft skills development of youth and adults in order to be able to adapt and to integrate effectively in a dynamic society. We aim to contribute to the society throughout lifelong learning in accordance with the current requirements of the labour market.</p> <p>We wish to enhance people empowerment, entrepreneurship, creativity, social inclusion and the acceptance of cultural diversity through intercultural learning. We help people to develop and execute their ideas and initiatives into concrete projects and we tend to develop their creativity, strengths and entrepreneurship skills. We adopt and implement various innovative initiatives in the field of formal and non-formal education, providing information, counselling, training to both young people and adult professionals.</p> <p><i>Our Vision</i> Provide you with realistic and executable recommendations to help you make the best decisions for the successful growth of your business and its expansion. To be recognized for our excellence in research advances and educational opportunities offered in diverse contexts and clients.</p>

	<p><i>Our Mission</i></p> <p>To be recognised as a key European provider of strategic consulting for the development and execution of growth strategies across major European economies. We bring education to a new dimension through innovative programs and instructional practices.</p> <p>Esquare is an innovative company focusing on 5 core areas of business, including:</p> <ol style="list-style-type: none"> 1. Consulting and Research Studies 2. E-Learning and Trainings 3. Web Development and Online Applications 4. Psychology and Soft-Skills Advisory 5. Project Management and Implementation
<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<p>Based on our experience and previous activities, we believe, we can be a strong partner in any Erasmus Plus project in areas:</p> <ol style="list-style-type: none"> 1. Consulting and Research Studies The strength of our enterprise primarily lies in our highly qualified team providing consultation services in particular areas such as intermediation between unemployed people and businesses, career advice, entrepreneurship and administration services. 2. E-Learning and Trainings Esquare helps organizations cater to the varied learning needs of diverse learners. Our custom e-learning services helps organizations to identify their online learning needs, create strategy, identify solutions, create storyboards, develop content with the help of subject-matter experts and develop the online courses. We are able to share our best practises from our experiences provided by us and our coaches, mentors and trainers. We have experience in soft-skills education, related to: <ul style="list-style-type: none"> ● Lifelong learning ● Soft skills ● Leadership development ● Coaching ● Entrepreneurship ● Talent management ● Burn-out ● Innovation ● Gender equality ● Financial literacy ● Eco literacy ● Social media/fake news literacy ● Sport ● Critical thinking ● Ageing population ● Career counselling 3. Web Development and Online Applications We turn ambitious ideas into product solutions people use every day. Applications, platforms, online tests and e-learning platforms. We turn ambitious ideas into product solutions people use every day. Applications, platforms, online tests and e-learning platforms. This sector includes: development and design, customization and support on management.

	<p>4. Psychology and Soft-Skills Advisory As automation and artificial intelligence dramatically change the nature of work, employees must fine tune the social and emotional that machines cannot master. To encourage this behaviour, the companies and individuals must adjust the ways they assess, educate, train and reward their workforce on soft skills such as collaboration, communication and critical thinking. Soft skills, which are commonly defined as non-technical skills that enable someone to interact effectively and harmoniously with others, are vital to organizations and can impact culture, mindset, leadership, attitudes and behaviours.</p> <p>5. Project Management and Implementation Moreover, we are strong in providing project management and implementation in the field of Erasmus Plus projects, as in the last 2 years we have been focusing on management of more than 18 Erasmus Plus projects. This includes work not only on the intellectual outputs of projects or their best practice sharing, but also on the project execution, including:</p> <ul style="list-style-type: none"> ● Dissemination ● Evaluation ● Risk management ● Progress reporting ● Monitoring ● Financial management
<p>What are the skills and expertise of key staff/persons involved in this application?</p>	<p>The founder, Soňa Štefková, is the main person in the process of selecting trainers for cooperation and she helps companies to choose the best and most suitable trainings and workshops according to their needs and goals. Ms. Štefková is also a certified coach and is a holder of the NLP practitioner certificate. As a coach she trains, lectures and writes professional articles in the areas of human resources, leadership and talent development. Ms. Štefková has rich experience with Erasmus Plus projects both KA1 and KA2. She holds two master’s degrees, one from Comenius University Bratislava and from French business school ESCP-Europe. She has been working and studying in Paris, Austin, London and New York. She speaks English, French and Slovak.</p> <p>Linda Selmani is an experienced and responsible researcher. She studied International Relations and European studies and holds a Translation degree from University of Bristol. She also took part in different trainings, Erasmus and ESC projects. In Esquare, she is in charge of project coordination and cooperation with partners. She is fluent in English and French.</p> <p>Nikola Poláková represents a company project manager and facilitator. She graduated in translations and interpretations studies at Comenius University in Bratislava. In the following years she had a chance to work in the language exchange, translation and sales industry. In the E-square company she is in charge of Erasmus projects management and cooperation with partners. She provides proficiency in English, German and Slovak language.</p> <p>The team has extensive experience in the implementation of national and EU projects, with particular attention to the Erasmus + program. We have implemented a large number of projects on informal certification in different sectors, on learning methods; on the development of curriculum and training courses; on the ICT, e-learning and digitization projects; and on the creation of materials for trainers and on the skills development paths of educators and youth workers.</p> <p>We are strong in providing project management and implementation in the field of Erasmus Plus projects, including both mobility as well as strategic partnership (KA1 and KA2). In the last 2 years we have been focusing on management of more than 14 Erasmus Plus projects. This includes work</p>

	not only on the intellectual outputs (we can integrate expertise of all our services), best practice sharing or training provision, but also on the project execution, including: dissemination, evaluation, risk management, progress reporting, monitoring and financial management.
